How Can We Care For God's Creation?

- Parents care for their children.
- Taking care of plants.
- Being kind and nurturing to animals.
- Protecting animals and their habitats.

What is Common Sense and How Can it Help You?

- It is knowing in general what is good and then being able to apply that Understanding to a specific situation to help you do the right thing.
- You know smoking is harmful to your lungs; therefore common sense says you should not smoke.
- Taking harmful drugs is both illegal and dangerous; therefore, common sense says you should stay away from them.
- Riding in a car without a seatbelt could result in serious injury or death; therefore, common sense says wear your seatbelt.
- Engaging in any way with strangers could result in a dangerous outcome; therefore, common sense says stay away from people you do not know.

Summary

- We should think of our families first.
- No one has the same feelings and we must sometimes put other people's feelings first.
- We should always take other's feelings into consideration when we do and say things.
- We must care for all of God's creation.
- Common sense can help us make good choices.
